

CMS Celebrates Gains in End-of-Grade Test Scores

A year after making tremendous gains in reading and math at all grade levels, CMS students once again raised scores. Preliminary districtwide End-of-Grade test scores were released June 8, and the results show gains in reading and math at most grade levels for the 2003-04 school year.

Congratulations to the Class of 2004!

Just over 5,800 seniors graduated as members of the Class of 2004 during 18 ceremonies attended by families, friends, administrators and proud teachers, June 7-11.

Officials Break Ground at Metro School

Students, staff members, elected officials and other honored guests celebrated the beginning of construction of their new facility with a groundbreaking ceremony on June 8. Students welcomed guests and provided music for the celebration.
