### **CMS Celebrates Gains in End-of-Grade Test Scores**

A year after making tremendous gains in reading and math at all grade levels, CMS students once again raised scores. Preliminary districtwide End-of-Grade test scores were released June 8, and the results show gains in reading and math at most grade levels for the 2003-04 school year.

### **Congratulations to the Class of 2004!**

Just over 5,800 seniors graduated as members of the Class of 2004 during 18 ceremonies attended by families, friends, administrators and proud teachers, June 7-11.

### **Officials Break Ground at Metro School**

Students, staff members, elected officials and other honored guests celebrated the beginning of construction of their new facility with a groundbreaking ceremony on June 8. Students welcomed guests and provided music for the celebration.
