Camp Bark

is committed to providing quality care for your pet. We are an interactive, safe place, where your dog can run, play, romp,

chase or just relax on the couch in a home-like environment. We offer doggie day camp, as well as overnight

camp. Pick-up and delivery is available to many South Charlotte and some SC locations.

We cater to the specific likes of your dog to insure that their stay is a

positive experience. We can administer medications, including insulin, and can accommodate special diet and exercise requests.
